<b>Date and Remarks</b>	<b>Orders of the Tribunal</b>
<b>Item Nos. 1 to 14 and supplementary Item No. 17</b> <b>March 7, 2014</b>	We have heard learned Counsel appearing for the parties at some length.  The Petition/Application is vague and does not even mention whether the unit is actually operating or not. It is also not stated whether the unit has obtained consent of State

Pollution Control Board (SPCB) for the purpose of establishing and/or operating.

Learned Counsel appearing for the Trust submits that some of these industries are actually operating and some of them may not be. According to him, even there are cases of expansion of industrial activity by some of the units.

In the facts and circumstances of the case, it is essential for the Tribunal to get complete information before passing any final order.

Let Notice be issued to the State Pollution Control Board. Mr. Manish Shishodia appearing for the Board accepts notice on behalf of the SPCB.

We direct that in all these cases, the following information shall be provided by all the parties i.e. the Petitioner, Trust and the Board :

1. Whether the unit has or had obtained consent of the SPCB for establishment/operation?
2. Whether these industries are actually operating or carrying on business of printing of textiles?
3. Copies of the orders granting / refusing consent to these industries should also be placed on record.
4. Whether any opportunity of hearing was granted to the units before revoking the NOC granted to them in the year 2009 onwards?
5. The Board shall specifically bring on record, if all these industries are zero discharge units or availability of being connected to the Common Effluent Treatment Plant, it is necessary to grant / refuse consent?
6. Whether any of these industries/units have established their own ETPs and if so, to what effect?

Let these complete information be furnished by all the concerned parties, the Respondents by filing an affidavit of a person not below the rank of Member Secretary or CEO of the Trust and the Petitioners, within a period of three weeks from today positively with copies to each other.

List these matters on 1<sup>st</sup> May, 2014.
