	Item No. 5 March 10, 2016	<p>Heard. Perused Record.</p> <p>Controversy regarding alleged illegal construction of sewerage system begged a question as to how the issue as regards implementation of any of the provision of the enactments specified in Schedule I of the NGT Act, 2010 could arise in the present case vide order dated 15th October, 2015. We, therefore, heard the Learned Counsel appearing on behalf of the applicant at some length and even extended a solution to the problem vide order dated 11th December, 2015. However, the applicant was not inclined to accept the said solution and the hearing continued. On 8th January, 2016 Learned Counsel appearing on behalf of the applicant submitted that the report of the investigation ordered by Ld. Magistrate in the proceedings under Section 133 of CRPC Act in respect of the subject matter in the present case would throw light on material aspect of the case. We had therefore, directed the Banka Municipal Council to produce such report of investigation if any, before the</p>

Tribunal on the next date. However, till date no report has been placed before us. Nobody is present before us on behalf of the Municipal Council. We have heard the applicant substantially in the present case. List this matter for hearing the respondents on Monday i.e. 14th March, 2016.
