Ratneshwar Prasad Singh Vs. Banka Municipality & Ors.

**CORAM: HON'BLE MR. JUSTICE U.D. SALVI, JUDICIAL MEMBER
HON'BLE MR. RANJAN CHATTERJEE, EXPERT MEMBER**

**Present: Applicant /Appellant :Mr.Praveen Agarawal, Adv., Mr. Rajesh
Ranjan Singh, Adv.
Respondent No. 1,2&3 :Mr. Anup Kumar Sinha, Adv.**

	Date and Remarks	Orders of the Tribunal
	Item No. 12 December 11, 2015 AM	<p>Heard. Perused Record.</p> <p>Considering the facts & circumstances in the present case we find that the solution to the problem lies in getting the suitable gradient for un-obstructed flow of sewerage from the house of the applicant to the municipal drain flowing across the road; and this can be achieved on</p> <ol style="list-style-type: none">1. Finding out an appropriate point for connection of the house drain to the municipal drain downstream.2. The Applicant putting up a drainage plan drawn for sanction to necessary construction through an Architect with the municipality,3. The municipality granting necessary construction permission thereupon in accordance with law.4. Finally, the construction of drain in accordance with the Sanctioned Plan at the cost of the applicant/property owner. <p>Let this solution be considered by the applicant and he may revert back to us on the next date.</p> <p>Learned Counsel appearing for the Municipal</p>

Corporation submits that he has no objection to such solution being implemented.

At this stage Learned Counsel appearing on behalf of the applicant submits on instruction that the solution that is proposed by this Tribunal is not acceptable for the reasons that the applicant is not ready to bear the expenses of the architect and for the construction of the sewerage line.

List the case on 7th January, 2016.
