Respondent / Raj. State: Shri Sandeep Singh, Advocate  
& RSPCB : Shri K.K. Sharma,  
Shri K. Baregama, ME, Bhilwara  
Shri Sanjay Mathur,  
Shri Dharmendra Dawani,  
Shri Arvind with Shri Rajesh Kuvera

<b>Date and Remarks</b>	<b>Order of the Tribunal</b>
<b>Order No. 16 23<sup>rd</sup> December, 2016</b>	<p>It is pointed out by the Learned Counsel for the Respondent No. 2 that several directions were given from time to time with regard to the allotment of the land for construction of the STP at Bhilwara by this Tribunal since the sewage is being allowed to flow into the river Kothari River and Samodi Talab contrary to the provisions of the Water Act, 1974. The Municipal Authorities as well as the District Administration were directed to take up the matter immediately for allotment of land for construction of the STP. In this behalf, directions were issued to the District Collector for allotment of land and making the land available for construction of STP as early as on 23.05.2016. And several dates have passed since then but the allotment of the land for the said purpose is yet to be made. Today during the course of hearing it has given out that a project at the cost of Rs. 445 Crores has been planned for Bhilwara for setting up sewage network along with the STP of 30 MLD capacity and the site for the same has also been identified. It is submitted that this would be in addition to the existing STP of 10 MLD. We direct that the Respondent shall place before us the details of the project including the identified site and the steps taken so far for commissioning of the project on all the aspects i.e. connections from the houses, laying of sewage line, treatment plant</p>

and utilisation of treated water from the STP. In addition to the above, the Respondent shall also submit the time bound programme for the same.

Let the matter be listed on **16<sup>th</sup> January, 2017**.
