	Item No. 07 July 22, 2015 ss	<p>We have heard the Learned Counsel appearing for the parties. The Learned Counsel appearing for the Corporation as well as representative of the Market Association submits that the parking place has already been levelled and within a short time they will put some Bajri and allied material so as to prevent dust being emitted into the environment around the area in question.</p> <p>We, therefore, dispose of this Application with a direction that the Corporation in co-operation with the Market Association and the Residents Association would put required material to avoid dust emission into the air in that area. It is informed by the Market Association to us that this parking is being managed by the Market Association and it is free parking and a sum of Rs. 30/- is being charged only when valet parking, that is when somebody takes its car to the market.</p> <p>With the above directions Original Application No. 152 of 2015 stands disposed of.</p> <p style="text-align: right;">.....,CP (Swatanter Kumar)</p>
