**ORDER**

1. Grievance in this application is against dumping of waste on the bank of Baigul river at Touching ground, Kichha Marg, Paharganj, Rudrapur, District Udham Singh Nagar Uttarakhand. It is stated that this has resulted in mountain of garbage of 100 ft. height from which garbage spills over to the road. Several accidents take place resulting in loss of lives. Baigul river joins Kalyani river which is also polluted. Unscientific management of waste is also resulting in death of animals and loss of agriculture crops. Flow of the river is obstructed, resulting in flooding Rudrapur city. Work of handling waste has been given to an incompetent contractor by the Municipal Commissioner. 500 dumpers have been deployed for recycling of the waste but the waste is transported to Bilaspur and stored near a primary school, adversely affecting the children.
