REPLY ON BEHALF OF RESPONDENT NO.5 IN RESPECT OF PARA NO. 24 & 21

I, Vilas Ghogare, age- 45 years working as Joint Director, Industrial Safety & Health, Thane, Dist.- Thane submitting as under

The Following are the points raised in the O. A. No. 31/2023 with respect to Directorate of Industrial Safety and Health, Mumbai, hence I hereby submitting the reply as under on behalf of Director, Industrial Safety & Health, Mumbai, Maharashtra.

1. I say that the Directorate, Industrial Safety and Health, Working under labour department. Government of Maharashtra enforcing The Factories Act, 1948 and the Rules made there under. I have read the Original Application along with its annexure there to and also perused the relevant record maintained by my office with reference to the subject matter of the present Original Application and on the basis of the said record, I am filling this affidavit to the above Original Application.

2. I say that regional office of the Respondent 5 is enforcing The Factories, 1948 and Rules made there under. As per the said Act, the office enquires about the accidents, fire, explosion or any dangerous occurrence occurring in the factories.

3. Regarding para no. 24 raise in the Original Application

i. The name and title M/s. Bharat Serums and Vaccines Limited, 3rd Floor, Liberty Tower, Plot No. K-10, Behind Reliable Plaza, Kalwa Industrial Estate, Airoli, Navi Mumbai, Thane 400 708 is not registered under factories act till date.

ii. The complaint from the appellant was received to the regional office on 16/11/2022. The complaint was submitted to Director, Industrial Safety and Health, Mumbai for permission of visit. After receipt of complaint from applicant (Annexure-I) regarding operating a factory without obtaining required valid license under the provision of Factories Act 1948, Deputy Director from this office visited the said premises i.e. M/s. Bharat Serums and Vaccines Limited, 3rd Floor, Liberty Tower, Plot No. K-10, Behind Reliable Plaza, Kalwa Industrial Estate, Airoli, Navi Mumbai, Thane 400 708 on 28/11/2022.

iii. In this premises activity of making of medicines was being carried out. Theses includes such as a. Luprodex 3.75 mg, 11.25 mg, b. Liposomal Amphotericin B injection 50 mg, c. Ceftaroline fosamil powder for infusion

600 mg, d. Certizidime 2 gm and avivactam 0.5 gm powder injection, e. Dydrogesterone tablets 10 gm, f. Anti-T Lymphocyte Immunoglobulin, g. Snake Venom Antiserum, h. Rabies Antiserum, i. Recombinant anti rho d immunoglobulin, j. Recombinant human follicle stimulating hormone, k. Human chorionic gondtropin (recombinant).

- iv. Making of medicines is a "Manufacturing Process" as per section 2(k)(i) of Factories Act 1948. This was been carried out with aid of power in form of electricity and with employing 63 number of workers hence this premise constitute of factory as the manufacturing process was being carried out in this premises with more than 20 workers & with aid of power in the form of electricity.
- v. During visit to the factory it was observed that the occupier of the factory was using the premises as a factory without obtaining a valid license from Director, Directorate of Industrial Safety and Health, Maharashtra State, Mumbai.
- vi. Hence notice (Visit Remarks-Annexure-II and Show Cause Notice-Annexure- III) was issued against occupier for the contraventions of Rule 4(4) and Rule 4 (1) (a, b, c) of Maharashtra Factories Rules, 1963. As no compliance was secured by the occupier, Directorate of Industrial Safety and Health, Thane office has filled prosecution under provisions of Factories Act 1948 against Occupier in the court of Chief Judicial Magistrate Thane, bearing Court Case No S.C.C. 6284/23 on 18/01/2023 for not obtaining factory license for premises located at M/s. BHARAT SERUMS AND VACCINES LIMITED, 3rd Floor Liberty Tower, Plot No.K-10 Behind Reliable Plaza Kalwa Industrial Estate, Airoli, Navi Mumbai, Thane-400708. The Case is under trial before Hon. Chief Judicial Magistrate, Thane Court.
- vii. Hence it is not true to say that 'failure of concerned authorities to take action against respondent no.1 industry and their lethargic approach towards addressing issues relating to the environment'; as far as office of Directorate of Industrial Safety & Health, Thane is concerned.

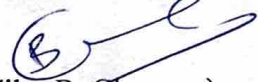

4. Regarding para no. 21

- i. Regarding the factory having name and the address respondent no. 1 Bharat Serums and Vaccines Limited, Located at K-27, K-27/Part, K-27-1, Anand

Nagar, MIDC, Ambernath, Dist-Thane - 421506 is registered under the Factories Act 1948. The factory is having license under Factories Act 1948 for 2023. The Occupier had complied the statutory requirements for the issue of the license & renewal under factory act. Hence license cannot be canceled.

Hence I Shri. Vilas Ghogare, Joint Director of Industrial Safety & Health, Thane is submitting the above points with respect to in O. A. No. 31/2023 on behalf of Industrial Safety and Health, Mumbai (Respondent No. 5). I crave leave of this Honorable Tribunal to file additional reply, if so required.

Your's faithfully,

(Vilas B. Ghogare)

IN INTEREST OF SOCIETY AT LARGE AND IN ALL FAIRNESS

AGAINST "M/S. BHARAT SERUMS AND VACCINES LTD" SITUATED

AT PLOT NO. K-10, , KALWA INDUSTRIAL AREA AIROLI, NAVI

MUMBAI FOR NON-COMPLIANCE UNDER THE FACTORIES ACT

1948.

Sir ,

With reference to the above subject, I Mr. Prasad M. Mulye, complaint your honour in Public Interest, in the Interest of Justice, in Interest of Society at Large and in all fairness against "M/s. Bharat Serums and Vaccines Ltd" situated at PLOT NO. K-10, , KALWA INDUSTRIAL AREA AIROLI, NAVI MUMBAI FOR NON-COMPLIANCE UNDER THE FACTORIES ACT 1948.

1. That "M/s. Bharat Serums And Vaccines Ltd" is pharmaceutical company dealing in business of manufacturing Bio-Pharmaceuticals products.
2. That for manufacturing the Pharmaceutical products there is requirement of Factory and Research & Development unit having a pilot batch manufacturing plant i.e having mandatory infrastructure & facilities of a factory for manufacturing goods.
3. That for pilot manufacturing activities involves power and manpower, Solvents in large quantities, generators, LDO for running Biolers /generators, compressed Nitrogen gas for operating the plant. For your information the company have obtained Consent in red category from Maharashtra Pollution Control Board.
4. That for running business of manufacturing of Pharmaceutical products having a R&D Unit with pilot batch manufacturing facilities the License under The Factories Act 1948 is mandatory requirement and the issuing authority of the said License is The Director / Joint Director of Directorate Of Industrial Safety & Health, of the State Government in the Maharashtra State.
5. That all infrastructure and records are to be Compulsorily provided and maintained as per the provisions of The Factories Act and the Factories Rules strictly.
6. That all records under the Factories Act & Rules are to be maintained and timely submitted to the Directorate Of Industrial Safety And Health.
7. That upon enquiry & information seeked under the Right to Information Act it is revealed that the Company have not taken any basic, statutory licences required to conduct activities from the DISH neither the DISH Officials have bothered to visit and warrant for the same. That the company do not also have Copy Approved Plans, details of Solvent Storage etc.
8. That M/s. Bharat Serums And Vaccines Ltd from April, 2022 is illegally operating its activities without having any Licence under any applicable Law.
9. That such a lapse and exploitation of the Law in many companies is going on in collusion with the officers of Forest Department due unfair and corrupt practices.

10. That these illegal activities are great threat to the society and public at large.

In the above facts and circumstances, I request your honour in Public Interest, in the Interest of Justice, in the Interest of Society at Large and in all Fairness to take strict and stern action against "M/s. Bharat Serums And Vaccines Ltd" and further take strict exemplary action against all concerned Officer of Directorate of Industrial Safety & Health Department.

Thanking you

M/s. BHARAT SERUMS AND VACCINES LIMITED
3rd Floor, Liberty Tower, Plot No. K-10,
Behind Reliable Plaza Kalwa Industrial Estate,
Airoli, Navi Mumbai, Thane 400 708.

1. Visited the premises for amenability check on 28.11.2022 and found it working.
2. Shri. Hemendra Rahate (Head-Facilities and Administration) was present and accompanied me during my visit in the premises.
3. I have obtained signed copies of list of products manufactured in this premises, along with list of raw materials used and flow chart for manufacturing process.
4. In this premises activity of making of medicines is being carried out. These includes medicines such as a. Luprodex 3.75 mg, 11.25 mg, b. Liposomal Amphotericin B Injection 50 mg. c. Ceftaroline fosamil powder for infusion 600 mg, d. Ceftriaxime 2gm and avibactam 0.5g powder injection, e. Dydrogesterone tablets 10mg, f. Anti-T Lymphocyte Immunoglobulin, g. Snake Venom Antiserum, h. Rabies Antiserum i. Recombinant anti rho d immunoglobulin, j. Recombinant human follicle stimulating hormone, k. Human chorionic gonadotropin (recombinant). The list of products made in this premises obtained during my visit is attached herewith.
5. Making of medicines is a '**Manufacturing Process**' as per section 2(k) (i) of Factories Act 1948.
6. I have obtained signed copy of list of around 63 workers who are normally employed in or in connection with this manufacturing process in said premises. The nature of work/designation and in time of each worker is mentioned on it. The list of workers obtained during visit is attached herewith. These persons engaged in making of medicines are '**workers**' as per section 2(l) of Factories Act 1948.
7. This Manufacturing was being carried out with the aid of power in the form of electricity, this premises therefore constitutes a '**factory**' as per section 2(m)(i) of Factories Act 1948 as the Manufacturing process was being carried out in this premises with more than 20 workers & with the aid of power in the form of electricity.
8. I have also obtained signed copy of list of machines/equipments found installed in the factory and were being used to carry out the manufacturing process.
9. The occupier of the said factory ought to have obtained a license under rule 6 of Maharashtra Factories Rules, 1963 from the Chief Inspector of Factories (i.e. Director Industrial Safety and Health, Mumbai, Maharashtra State) as per provision of clause (4) of Rule 4 of Maharashtra Factories Rules 1963 before using the said premises as a factory. **At the time of my visit on 28.11.2022 occupiers were actually found using the premises as a 'factory' without having valid factory license. Therefore the occupiers of the factory has contravened the provision of clause (4) of Rule 4 of Maharashtra Factories Rules 1963.**

10. Also, the occupier of the said factory ought to have obtained approval plans from Joint Director Industrial Safety and Health, Thane in respect of the following
- The site plan on which the factory is situated
 - Building and extension used for the purpose of manufacturing process
 - The layout of plant and machinery, including the storages for raw materials and finished products before using said premises as a factory.

At the time of my visit on 28.11.2022 I found that, the occupier of the said factory has not submitted & got the factory plans approved from Joint Director Safety & Health, Thane in respect of the following

- The site plan on which the factory is situated**
 - Building and extension used for the purpose of manufacturing process**
 - The layout of plant and machinery, including the storages for raw materials and finished products. Thus the occupier has contravened the provision of clause (1)(a)(b)(c) of Rule 4 of Maharashtra Factories Rules 1963.**
11. Shri. Hemendra Rahate (Head-Facilities and Administration) had also produced before me Xerox copy of registration of Shops and Establishment i.e. नमुना "ब".
12. From the records of registrar of companies through its website it was revealed that following are the directors of company M/s. BHARAT SERUMS AND VACCINES LIMITED -

DIN/PAN	Director Name	Appointment Date
00291675	Smt. Shweta Jalan	22/09/2021

THE COMPLAINANT MOST RESPECTFULLY STATES AS UNDER:-

1. The Accused Mr. Sanjiv Hari Navangul is Occupier of M/s. BHARAT SERUMS AND VACCINES LIMITED, 3rd Floor, Liberty Tower, Plot No. K-10, Behind Reliable Plaza Kalwa Industrial Estate, Airoli, Navi Mumbai, Thane 400 708. This factory is registered under 2(m) (i) of Factories Act, 1948.
Activity of manufacturing / Making of medicines

2. The complainant visited the premises for amenability check on 28.11.2022 and found it working. Shri. Hemendra Rahate (Head-Facilities and Administration) was present and accompanied me during my visit in the premises.
3. The complainant has obtained signed copies of list of products manufactured in this premises, along with list of raw materials used and flow chart for manufacturing process.
4. In this premises activity of making of medicines is being carried out. These includes medicines such as a. Luprodex 3.75 mg, 11.25 mg, b. Liposomal Amphotericin B Injection 50 mg, c. Ceftaroline fosamil powder for infusion 600 mg, d. Ceftazidime 2gm and avibactam 0.5g powder injection, e. Dydrogesterone tablets 10mg, f. Anti-T Lymphocyte Immunoglobulin, g. Snake Venom Antiserum, h. Rabies Antiserum i. Recombinant anti rho d immunoglobulin, j. Recombinant human follicle stimulating hormone, k. Human chorionic gonadotropin (recombinant). The list of products made in this premises obtained during the complainant visit is attached herewith.
5. Making of medicines is a '**Manufacturing Process**' as per section 2(k) (i) of Factories Act 1948.

7. The complainant had obtained signed copy of list of around 63 workers who are normally employed in or in connection with this manufacturing process in said premises. The nature of work/designation and in time of each worker is mentioned on it. The list of workers obtained during visit is attached herewith. These persons engaged in making of medicines are 'workers' as per section 2(1) of Factories Act 1948.
8. This Manufacturing was being carried out with the aid of power in the form of electricity, this premises therefore constitutes a 'factory' as per section 2(m)(i) of Factories Act 1948 as the Manufacturing process was being carried out in this premises with more than 20 workers & with the aid of power in the form of electricity.
9. The complainant had also obtained signed copy of list of machines / equipment's found installed in the factory and were being used to carry out the manufacturing process.
10. The occupier of the said factory ought to have obtained a license under rule 6 of Maharashtra Factories Rules, 1963 from the Chief Inspector of Factories (i.e. Director Industrial Safety and Health, Mumbai, Maharashtra State) as per provision of clause (4) of Rule 4 of Maharashtra Factories Rules 1963 before using the said premises as a factory. At the time of my visit on 28.11.2022 occupiers were actually found using the premises as a 'factory' without having valid factory license. Therefore, the occupiers of the factory had contravened the provision of clause (4) of Rule 4 of Maharashtra Factories Rules 1963.

11. Also, the occupier of the said factory ought to have obtained approval plans from Joint Director Industrial Safety and Health, Thane in respect of the following

- a) The site plan on which the factory is situated
- b) Building and extension used for the purpose of manufacturing process
- c) The layout of plant and machinery, including the storages for raw materials and finished products before using said premises as a factory.

At the time of the complainant visit on 28.11.2022 he found that, the occupier of the said factory had not submitted & got the factory plans approved from Joint Director Safety & Health, Thane in respect of the following

- a) The site plan on which the factory is situated
- b) Building and extension used for the purpose of manufacturing process
- c) The layout of plant and machinery, including the storages for raw materials and finished products. Thus, the occupier has contravened the provision of clause (1)(a)(b)(c) of Rule 4 of Maharashtra Factories Rules 1963.

12. Shri. Hemendra Rahate (Head-Facilities and Administration) had also produced before me Xerox copy of registration of Shops and Establishment i.e. नमुना "ब".

13. From the records of registrar of companies through its website & Shops and Establishment i.e. नमुना "ब". it was revealed that Mr. Sanjiv Hari Navangul is the director of company M/s. BHARAT SERUMS AND VACCINES LIMITED –

14. As per Section 2(n) of Factories Act 1948 "occupier" of a factory means the person who has ultimate control over the affairs of the factory. Also, as per section 2(n) (ii) in the case of a company, any one of the directors shall be deemed to be the occupier. Hence, these directors are deemed occupiers of factory.
15. Contravention - Provisions of Rule 4 (4), and Rule 4 (1) (a), (b), (c) of Maharashtra Factories Rules, 1963.
16. Prayer - It is therefore humbly prayed that the process may be issued against the accused and he may be dealt with according to the law.
17. Mr Sanjiv Hari Navangul is occupier of the factory and he is liable for punishment under Section 92 of Factories Act 1948.
