**Subject: Compliance/Action Taken Report in compliance of order dated 17/10/2022 passed by Hon'ble NGT in OA No. 445/2022 titled Surjeet Singh V/s State of H.P.**

Sir,

Kindly refer to Hon'ble NGT's order dated 17/10/2022 in the above cited matter related to illegal cutting/uprooting of Khair trees in Rail Beat area falling in Dada Seeba Forest range, District Kangra, H.P wherein following directions were passed by the Hon'ble NGT:-

*"...5. In view of the observations in the report of the Joint Committee and the facts and circumstances of the case, the application is disposed of with the following directions:-*

*(i) The Forest Department is directed to take remedial action for prosecution of the offenders, imposition and recovery of environmental compensation and compensatory afforestation for illegal felling of 10 (Acacia catechu) trees in the forest area within three months at judicial- [ngt@gov.in](mailto:ngt@gov.in) preferably in the form of searchable PDF/OCR Supported PDF and not in the form of Image PDF.*

*(ii) The Committee constituted on request by RO, Dadasiba is directed to conclude the enquiry within three months and on completion of the same send a copy of the enquiry report to the PCCF (HoFF), Government of Himachal Pradesh and HPPCB for taking appropriate action of prosecution of the offenders, imposition and realization of environmental compensation and compensatory afforestation.*

*(iii) The Forest Department is also directed to encourage by appropriate means for the plantation/compensatory afforestation in non-forest/ private land in lieu of (Acacia catechu) trees permitted to be felled for protection and improvement of the environment*

6. Copies of the enquiry report and Action Taken Reports giving requisite details taken by the Forest Department and HPPCB be filed by email within six months by e-mail at [judicial-ngt@gov.in](mailto:judicial-ngt@gov.in)... before the Ld. Registrar General, National Green Tribunal, Principal Bench, New Delhi who may, if necessary, put up the matter before this Bench for further directions..."

In compliance to the above directions of Hon'ble NGT, enquiry report has been submitted by DFO Dehra to the PCCF (HoFF) and HPSPCB (which includes action taken report of the Committee constituted on request by Range Officer, Dadasiba). As per the report, the offenders responsible for illegal cutting/uprooting of trees have been identified by the forest officials, Khair tree logs were recovered from their possession and the compensation fee has also been charged from the offenders. The damage reports for illegal felling of trees have been chalked out by forest officials and compounding/compensation fees has been deposited in government treasury. Other steps for compensatory afforestation and mass awareness have also been taken/initiated by Forest Department. Reportedly, regular group patrolling and nakkas are being conducted by the forest staff of Dadasiba Range to protect the forest and wild life from smugglers. It is further submitted that awareness-cum-plantation drives have also been conducted by the officials of HPSPCB in association with Forest Department, Dadasiba.

The detailed report of Forest Department at **Annexure-I** may kindly be taken on record please.

(Enclosed: as above)

Yours faithfully,

Regional Officer,  
HPSPCB, Dharamshala.

**ORDER DATED: 17.10.2022 PASSED BY THE HON'BLE NGT IN  
ORIGINAL APPLICATION NO. 445/2022 TITLED AS SURJEET SINGH  
VS STATE OF HP :**

The Compliance Report with regard to directions issued by Hon'ble NGT in Order dated: 17.10.2022 passed in Original Application No. 445/2022 titled as Surjeet Singh Vs State of HP ( Copy enclosed as Annexure-1) is as under:-

- 1. The Forest Department is directed to take remedial action for prosecution of the offenders, imposition and recovery of environmental compensation and compensatory afforestation for illegal felling of 10 ( Acacia catechu) trees in the forest area within three months at judicial-ngt@gov.in preferably in the form of searchable PDF/OCR supported PDF and not in the form of image PDF.**

**Action By Forest Department :**

The Range Forest Officer, Dadasiba Range in his report submitted vide his office memo number 5022/DS dated 30.12.2022 (copy enclosed as **Annexure-2**) reported that after carry out the investigation, the offenders who were involved in illicit felling of remaining 10 number of khair trees were also traced out. The damage reports were chalked out against the four

offenders bearing DR numbers 02/012, 03/012, 04/012 and 05/012 which were compounded and compounding / compensation fees of Rs 85836 ( Eighty Five Thousands Eight Hundred and Thirty Six rupees) was deposited in the Government Treasury. Not only the compensation fees was charged from the offenders but 15 Khair logs were also recovered from their possession.

Further reported by RO Dadasiba that all the four offenders were directed to plant 100 numbers of saplings in the forthcoming monsoon season on the forest land and also maintain them for three years. All the plantation and maintenance cost would be completely borne by the offenders.

It is further submitted by RO Dadasiba that efforts have been made by the staff to check the incident of illicit fellings and poaching. The regular group patrolling and nakkas have been conducted by the staff of Dadasiba Range to protect the forest and wild life from smugglers (**Photographs attached as Annexure-3**).

2. *The Committee constituted on the request by RO Dadasiba is directed to conclude the enquiry report within three months and on completion of the same send a copy of enquiry report to PCCF (HOFF) Government of Himachal Pradesh and HPPCB for taking appropriate action of prosecution of offenders, imposition and realization of environmental compensation and compensatory afforestation.*

The committee constituted under the chairmanship of ACF Dehra on the request of RO Dadasiba for the inspection of adjoining areas of Banuri forests in Rail Beat had submitted the Enquiry report vide number 8618 dated 07.01.2023 ( The report of ACF Dehra along with annexures I to XIII is enclosed as Annexure- 4).

The complainant Sh. Surjit Singh S/O Sh. Pirthi Chand R/O Ward No.2 village Banuri PO Rail Tehsil Jaswan Distt. Kangra who had an feeling of suspicion that the Khair trees which were felled would be from Government land. To ascertain the fact, the demarcation was again carried out by the Revenue Authority in the presence of the complainant Sh. Surjit Singh, the Committee members, the concerned staff of Dadasiba Range & the private land holders on dated 22-12-2022.

The land which the Complainant Sh Surjit Singh was considered as Forest land is actually a private land as per report of Kanungo of Revenue department ( **report enclosed as Annexure-5** ) & report of Kanungo forest ( **report enclosed as Annexure-6** ) and the Khair trees which were standing on this land were sold by the owners to the Private forest contractors for felling under approved Ten Year Felling program and which were subsequently felled & removed after obtaining the permission of competent authority. The statements of Private land owners and Sh. Surjit are enclosed as **Annexure -7 and Annexure-8** respectively.

It is further reported by ACF Dehra that the area of Rail Beat is very large approximately 842.10 Ha in extent. So three teams were constituted for inspection of Forests/ compartments UPF Rail ( C-4 & C-5), UPF Banoori C-4 and DPF Kalot ( C1b) as demanded by the complainant Sh. Surjit Singh. The complainant was associated during the course of inspection of adjoining forests/ compartments.

The committee detected 25 number of stumps and 57 number of uprootings while inspecting the adjoining forests in Rail Beat. The forests/ compartments wise the detail of stumps and uprootings detected by the committee is given below:-

Sr. No	Name of Forests/ Compartments	No. of Khair Stumps	Class	Pits/ Uprootings	Remarks
1	UPF Rail ( C-4) above Forest guard hut	1	III	3	Not possible to assess the class of trees on the basis of visible roots in pits ( uprooting)
2	UPF Rail ( C-5)	5	III	12	
3	DP Kalot C1b	7	IIA ( 4 no) III (3 no.)	32	
4	UPF Banoori C-3	7	IV (1 no.) III (6 no.)	4	
5	UPF Banoori C-4	5	III	6	
	<b>Total</b>	<b>25</b>		<b>57</b>	

The committee further reported that these 25 stumps and 57 uprootings/ pits where roots were visible appeared to be of khair roots and the concerned Range Forest officer was asked to explain his position in this regard ( **copy enclosed as Annexure-9**)

The concerned Range Forest officer has submitted his report ( **copy enclosed as Annexure- 10**). As per his report the cognizance of illicitly felled 15 khair trees has already been taken by the concerned staff and damage reports bearing numbers DR No. 80/110, 81/110, 85/110, 89/110, 90/110, 91/110 & 92/110 were issued against the offenders in DP Kalot C1b and UPF Rail C-4 & C-5 compartments and which were compounded and

the compounding / compensation fees of Rs. 1,48,230 ( One lakh Forty Eight Thousand Two Hundred and Thirty rupees) stands deposited in the Govt. Treasury. Besides compensation 29 Khair logs were also recovered from the possession of offenders.

Further the concerned offenders were also directed to plant 100 numbers of saplings of Khair species in the same Beat in the forthcoming Monsoon season at their own cost and maintain them for at least three years. The cost of maintaining these saplings would also be borne by the offenders.

Further reported by RO Dadasiba that for the remaining 10 stumps there was no action by the concerned field staff but during the search operation by the field staff 34 Khair logs were recovered in nallah close to the forest areas where illicit felling were detected which is presumed that these logs can be of those 10 trees which were found illicitly felled.

Further reported by RO Dadasiba that also for 57 Stumps / uprootings no action had taken by the field staff. However it is pertinent to mention here that a total of 114 dry trees of Khair species were handed over to Forest Corporation as a Salvage lot for felling and removal during the year 2019-20 and 2020-21 **(The list of khair trees handed over to Forest Corporation during the year 2019-20 enclosed as Annexure -11 and for the year 2020-21 is enclosed as Annexure-12).** All the 114 number of dry

khair trees were felled and removed by Forest Corporation. The detail of dry khair trees handed over to Forest Corporation year wise & forest wise where uprootings were detected is given below.

Sr No	Forest	2019-20	2020-21	Total
1	UPF Banuri C4	19 Trees	04 trees	23
	UPF Banuri C3	NIL	13 trees	13
	UPF Banuri C1	05 Trees	Nil	05
	UPF Banuri C5	Nil	13 trees	13
2	UPF Rail C5	02 Trees	Nil	02
	UPF Rail C4	Nil	30 trees	30
3	DP Kalot C1B	NIL	28 trees	28
<b>TOTAL</b>		<b>26</b>	<b>88</b>	<b>114</b>
<b>Remarks</b>		<b>All the trees were Felled</b>	<b>All the trees were Felled</b>	

So these uprootings might be of Salvage stumps, the timber of which had been felled and removed by the Forest Corporation. Further informed that 7 number of Khair stumps / roots were recovered by field staff from Kalot forest of Rail Beat.

3. *The Forest Department is also directed to encourage by appropriate means for the plantation / compensatory afforestation in non forest/ private land in lieu of ( Acacia catechu ) trees permitted to be felled for the protection and improvement of environment.*

**Action By Forest Department :**

In order to ensure the compliance of directions of Hon'ble NGT, the following directions have been issued to RO Dadasiba vide office letter no. 6751 dated 21- 11-2022 ( **Copy enclosed as Annexure – 13**) :-

1. To identify a land bank of 6 Ha. or more in area of blank / degraded forest , most preferably in Rail beat or adjoining beats and to ensure the plantation of 6600 or more number of plants of khair ( *Acacia catechu*) & other valuable species as per site condition in forthcoming Monsoon season i.e in July & August of 2023 against the compensatory plantation security deposited by the Registered Private Forest Contractors in lieu of trees permitted for felling from private/ Malkiyati land.
2. To raise 500 number of plants of Khair spp. in Nursery in the current financial year i.e 2022-23 & the cost of raising these new plants would be borne by the offenders who involved in the illicit felling of khair trees in Rail Beat.

3. Further the Offenders will bear not only the Nursery Cost of raising 500 plants but also the plantation cost of 250 khair plants and their maintenance for three years.
4. Further to ensure that the offenders themselves will do the plantation and no labour will be involved.
5. Distribute 100 number of seedling of khair spp free of cost to the forest fringe communities in Rail Beat and encourage them to raise Khair plantation in their own private land. Maintain a proper record in this regard.
6. Conduct a special Plantation Drive by involving local communities in planting 150 seedlings of Khair spp on forest land adjoining to the village and get these plants adopted by the local communities themselves so that they take care of these plants till their establishment.
7. The proper record of these plantation be maintained by the concerned forest guard along with the detail of person who will plant & adopt the saplings and the Range Officer will periodically check the documents as well as plantation and record his findings & suggestions.
8. RO to ensure that the Environmental Awareness meetings be conducted with the local communities at regular interval so that their active participation/ assistance be sought in the protection of forests and bio diversity.

So in view of above submission and reports as submitted by ACF Dehra and RO Dadasiba, it is summarized that the action on illicit felling of 21 no. of khair trees stands taken by the concerned staff. The cognizance of the offence was taken by the concerned staff from time to time and issued damage reports against the various offenders and which were compounded and compounding / compensation fees of Rs. 3,99,377 ( Three Lakhs Ninety Nine Thousands Three Hundreds & Seventy Seven rupees) was charged from the offenders and accordingly deposited in the Government Treasury. Besides charging the compounding/ compensation fees 65 number of khair logs were also recovered from the possession of offenders.

Further as against 25 number of stumps as detected by the committee headed by ACF Dehra in the adjoining forests in Rail Beat , the cognizance of illicit felling of 15 number of khair trees was already taken by the concerned staff. The compensation of Rs. 1,48,230 ( One Lakh Forty Eight Thousands Two Hundred and Thirty rupees) was charged from the offenders and 29 khair logs were also recovered from their possession and for the remaining 10 Khair trees which were found illicitly felled, though the staff could not traced out the offenders but they had recovered 34 number of khair logs in the vicinity of the area where illicit felling was detected.

Further regarding 57 number of uprootings detected by the committee in the adjoining forests of UPF Rail ( C-4 & C-5), DP Kalot C1b and UPF Banoori C-3 & C-4 , Seven Khair stumps/ roots were recovered by field staff from Kalot forest of Rail Beat and as reported by RO Dadasiba & also verified from record of Division office, a total of 114 dry trees of Khair species were handed over to Forest Corporation as a Salvage lot for felling and removal during the year 2019-20 and 2020-21.

As it was the duty of concerned forest guard to point any wrong doing in his area & take cognizance. But he failed to perform his duty and found negligent and stand charge sheeted and Disciplinary proceedings is being initiated against him. The Show cause notice has also been issued to the then Block Officer Dadasiba Block.

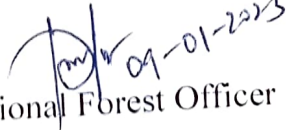

Further to create awareness among the local communities in Rail Beat & adjoining areas about the importance of forests and wild life & to motivate them to conserve the bio- resources and to promote their understanding & co-operation, the forest staff of Dadasiba Range will conduct regular meetings with them and seek their cooperation in the protection & conservation of bio-diversity. Also the local communities in Rail Beat will be requested in the forthcoming Monsoon season to participate in Plantation Drive where the plants of Khair ( *Acacia catechu*)

and other valuable species having ecological & economic importance will be planted.

This is submitted for favour of your kind information and further necessary action please.

**THE DETAILED REPORTS/OBSERVATIONS OF CONCERNED AUTHORITIES ARE AS UNDER:**

**Divisional Forest Officer, Dehra, (Representative on behalf of Principal, Chief Conservator of Forests (HoFF), Government of H.P):**

The joint committee as constituted by Hon'ble NGT during its spot visit in Rail Beat of Dadasiba Range on 22nd August 2022 was apprised about the private sale from the private land in Dadasiba Range. In this connection, it is submitted that Tikas Banuri along with other Tikas of Bathu, Behi of Dadasiba Mauza and along with other mauzas of Dadasiba Range were opened for felling/ sale of trees during 2021-22 under approved ten years felling program of Dehra Forest Division as approved by Govt. of H.P. under Land Preservation Act, 1978. In various tikas of Dadisiba range which were opened for felling /sale of khair trees during 2021-22, the land owners bargained with the Registered Forest Contractors/ SPA for felling/ sale of their Khair trees standing in their

O.A. No.445/2022

Surjeet Singh Vs. State of H.P.

-3-

private / Malkiyati land during the above period and after carrying out the demarcation of private land by competent Revenue authority in the presence of forest staff and after having adopted the proper procedure, the felling permission was granted by the competent authority for felling of 5569 number of green khair trees from private malkiyati land in Dadasiba Range and of which 1512 number of khair trees felled upto 31.03.2022. Whereas in Tikas Banuri of Mauza Dadasiba in Dadasiba range, the Tikas which is mentioned in the complaint filed by Sh. Surjit Singh S/O Sh. Pirthi Chand R/O Ward No.2 village Banuri PO Rail Tehsil Jaswan Distt. Kangra has 563 number of khair trees which were allowed for fell/sale from private malkiyati land after following proper procedure and of which 400 number of trees were felled upto 31st March 2022. The felling permission was accorded during the year 2021-22 in favour of the forest contractors in Dadasiba range. As per record, a complaint of Shri Surjit Singh S/O Shri Pirthi Chand R/O Ward No.2 village Banuri PO Rail Tehsil Jaswan Distt. Kangra has been received in division office from CCF Hamirpur vide office endorsement number 359 dated 19.04.2022 and received by the DFO office on dated 23.04.2022 and was further endorsed to RO Dadasiba vide DFO Dehra endorsement number 1398 dated 9.05.2022 for taking necessary action and submission of detailed fact finding report. In pursuance of direction, the RO Dadasiba had conducted the enquiry & submitted the enquiry report vide his office memo no. 331/ DS dated 28.06.2022. It is pertinent to mention here that the statement of the complainant Shri Surjit Singh s/o Shri Pirthi Chand had also been recorded, wherein he admitted that he had an feeling of suspicion that the trees which were felled would be from Government land. But after the spot demarcation carried out by Patwari of Revenue department and forest kanungo, the status of land where the trees were found felled was Private land where the trees were allowed to felled under approved ten years felling program by the competent authority. Further a complaint of Sh. Surjit Singh S/O Sh. Pirthi Chand R/O Ward No. 2 village Banuri PO Rail Tehsil Jaswan Distt. Kangra had also been received from SDM Dehra vide his office no. 942 reader dated 17.5.2022 addressed to DFO Dehra and Tehsildar Jaswan. Which was marked to ACF Dehra by DFO Dehra on 19.5.2022 for conducting enquiry and submission of fact finding report and ACF Dehra was further directed to associate the complainant during the course of enquiry. In compliance to the direction of DFO Dehra, ACF Dehra had conducted enquiry and submitted the enquiry report vide no. 3282 dated 19.07.2022 wherein it was reported by ACF Dehra that the complainant was informed by the team about the inspection and requested him to associate & assist the team during the course of enquiry but the complainant could not turn up. Further reported by ACF Dehra that a total of 21 no. of Khair trees were found illicitly felled of which the staff has already taken the cognizance of 11 no. of trees in January and April months and issued damage report bearing numbers 77/110, 78/110, 79/110, 82/110, 86/110 87/110 and subsequently compounded the case and deposited the compounding fees / compensation of Rs. 3,13,541 /- (Rs. Three lakhs thirteen thousands five hundred and forty one rupees) in the Government Treasury. But the remaining 10 no. of khair stumps/ uprootings which were found on the boundary of private and forest land and later, after demarcation were found on forest land. On the basis of Enquiry report of ACF Dehra and for gross negligence, the concerned forest guard i/c of Rail Beat of Dadasiba Range Sh. Atish Kumar was placed under suspension by DFO Dehra vide DFO office No. 109/DFD/2022-23 dated 22.08.2022 and fixed his headquarter at Dehra range office. The

offenders against whom the damaged report was chalked out for felling of 11 no. of khair trees illicitly as mentioned above and the case was compounded and compensation / compounding fees was charged accordingly, those offenders were also engaged in carry out the plantation at their own cost in the same beat. Not only plantation but the maintenance of plants so planted for next 3 years would also be carried out by them only.

In Dadasiba range, sincere efforts have been made by the staff to check the incident of illicit fellings and poaching. The staff had been conducting regular group patrolling and nakkas to protect the forest and wild life from smugglers. It is true that smugglers have certain geographical advantages as Dadasiba range shares long boundary with Punjab state and the Tikkas which were opened for private sale were very close to the border of Punjab state and most of the time the staff has to use their own vehicles for conducting patrolling and nakkas as there is no official vehicle in this range for supervision and patrolling. So despite the adversities, efforts have been put sincerely by the staff for the protection forests and wild life. Besides this, the staff conduct meeting with the villagers/ local communities and make them aware of the importance of forests and wildlife and seek their assistance in protection of forests & biodiversity.

Though reported by RO Dadasiba that extent of adjoining forests to be inspected is large & are having dense undergrowth, so a committee may be constituted for the inspection of said forests. On his request, a committee is constituted at the Division level for the inspection of adjoining forests also and submission of detailed report. The committee is further directed to make a request & associate the complainant Sh. Surjit Singh S/O Sh. Pirthi Chand R/O Ward No.2 village Banuri PO Rail Tehsil Jaswan Distt. Kangra during the course of enquiry. Since the forest that to be traversed & inspected is large in extent & is having dense undergrowth, so completion of enquiry may take some time. The complete enquiry report along with departmental action will be communicated on its completion.

#### **Representative of MoEF & CC, Shimla**

As the applicant, Shri Surjeet Singh was not present before the Joint Inspection Committee it couldn't be verified the alleged felling of the thousands of Acacia catechu has taken place in the concerned area. However, as per the documents submitted by the concerned official of Forest Department of Dehra, it can be said that illegal felling has occurred in the region. Further, the DFO Dehra has submitted that 21 Acacia catechu trees have been felled illegally in the forest land. Concerned ACF and DFO have taken departmental action against the official responsible for illegal felling of 11 no. of Acacia trees. The department shall take action against illegal felling of remaining 10 no. of Acacia catechu tree as well which is pending as on 22.08.2022, the date of Joint Inspection. As per the statements of ACF and DFO, the Acacia catechu trees are distributed in both Forest Land and Non-Forest Land. Felling/uprooting permission of Acacia catechu trees from Non-Forest Land are granted by the DFO to the registered private parties and the subsequently the trees are marked by the forest officials in private lands/Non-Forest Land which are to be felled. The DFO has further submitted before the Joint Inspection Committee that 131 Acacia catechu trees have been

*felled in Non Forest Land/Private land after seeking the necessary permission from the Forest Department*

4 We have gone through the report of the Joint Committee which shows that permissions for felling of Khair (*Acacia catechu*) trees from Non-Forest Land were granted by the DFO to the registered private parties. 131 (*Acacia catechu*) trees have been felled in Non Forest Land/Private land after seeking the necessary permission from the Forest Department. On request of RO, Dadasiba a committee has been constituted for the inspection of forests adjoining Punjab which has been directed to associate the applicant- Sh. Surjit Singh S/O Sh. Pirthi Chand R/O Ward No.2 village Banuri PO Rail Tehsil Jaswan Distt Kangra during the course of enquiry. The DFO, Dehra has submitted that 21 *Acacia catechu* trees have been felled illegally in the forest land. Concerned ACF and DFO have taken departmental action against the official responsible for illegal felling of 11 (*Acacia catechu*) trees. Damage report was chalked out against the offenders for felling of 11 (*Acacia catechu*) trees which was compounded and compensation/compounding fee was charged from them and they have been engaged in carrying out the plantation at their own cost in the same beat and maintain the same for the next three years. However, action against illegal felling of remaining 10 (*Acacia catechu*) trees is pending.

5. In view of the observations in the report of the Joint Committee and the facts and circumstances of the case, the application is disposed of with the following directions:-

- (i) The Forest Department is directed to take remedial action for prosecution of the offenders, imposition and recovery of environmental compensation and compensatory afforestation for illegal felling of 10 (*Acacia catechu*) trees in the forest area within three months at judicial-

O.A. No.445/2022

Surjeet Singh Vs. State of H.P.

-6-

ngt@gov.in preferably in the form of searchable PDF/OCR Supported PDF and not in the form of Image PDF.

- (ii) The Committee constituted on request by RO, Dadasiba is directed to conclude the enquiry within three months and on completion of the same send a copy of the enquiry report to the PCCF (HoFF), Government of Himachal Pradesh and HPPCB for taking appropriate action of prosecution of the offenders, imposition and realization of environmental compensation and compensatory afforestation.
- (iii) The Forest Department is also directed to encourage by appropriate means for the plantation/compensatory afforestation in non-forest/private land in lieu of (*Acacia catechu*) trees permitted to be felled for protection and improvement of the environment.

6. Copies of the enquiry report and Action Taken Reports giving requisite details taken by the Forest Department and HPPCB be filed by email within six months by e-mail at judicial-ngt@gov.in preferably in the form of searchable PDF/OCR Supported PDF and not in the form of Image PDF, before the Ld. Registrar General, National Green Tribunal, Principal Bench, New Delhi who may, if necessary, put up the matter before this Bench for further directions.

7. However, any of the parties having any grievance at any subsequent stage shall be at liberty to move this Tribunal for further directions in the matter as may be considered necessary.

Annexure-2

No 5022/DS

H.P. Forest Department.

Dated 30-12-2022

From: - RFO Dadasiba

To:- DFO Dehra

Subject:- Regarding action against illegal felling of remaining 10 number Khair trees in Rail Beat.

Memo,

21 no. of Khair trees which were reported illicitly felled in a report of ACF Dehra addressed to your good self, of which the staff had already taken the cognizance of 11 no. of trees in January and April months and issued damage report bearing numbers 77/110, 78/110, 79/110, 82/110, 86/110 & 87/110 and accordingly compounded the case and deposited the compounding fees / compensation of Rs. 3,13,541 /- (Rs. Three lakhs thirteen thousands five hundred and forty one rupees) in the Government Treasury. But the remaining 10 no. of khair stumps/ uprootings which were found on the boundary of private and forest land and later on after demarcation were found on forest land. The investigation was carried out on some clues and angles and also after gathering the information from the locals, finally we traced out the offenders who later on admitted the offence of illicit felling of 10 no. of Khair trees. Damage reports were chalked out bearing DR numbers 02/012, 03/012, 04/012 and 05/012 against the four offenders which were compounded and accordingly compounding / compensation fees of Rs 85836 ( Eighty Five Thousands Eight Hundreds and Thirty Six rupees) has been deposited in the Government Treasury. Not only the compensation fees was charged from the offenders but 15 Khair logs were also recovered from their possession. Also the warning letters have been issued to all the offenders.

Further all the four offenders were directed to plant 100 numbers of saplings in the forthcoming monsoon season on the forest land and also maintain them for three years. All the plantation and maintenance cost would be completely borne by the offenders.

It is further submitted that efforts have been made by the staff to check the incident of illicit fellings and poaching. The regular group patrolling and nakkas have been conducted by the staff to protect the forest and wild life from smugglers (Photographs attached Annexure-1).

This is submitted for favour of your kind information please.

Range Forest Officer  
Dadasiba Range

No/ 8618  
HP Forest Department  
Dated, the Dehra 7-1-2023

From:- Enquiry officer cum ACF Dehra  
Dehra Forest Division

To:- DFO Dehra

Subject:- Regarding enquiry in Rail Beat (Enquiry Report thereof)

Memo

This is with reference to the subject mentioned above and in continuation to my all the previous communications in this regard. It is submitted that the area of Rail beat is very large and there are seven forests in Rail beat covering an area of approximately 842.10 ha. Initially the complainant was requested vide letter no 4428 dated 03/09/2022 (Annex-I) to assist the inspection team so that the compartments/forests can be inspected regarding which complaint has been made. Also due to large forest area, the team was subdivided into 3 teams headed by Sh. Ashish Kumar, RFO Dehra (Team-I), Sh. Subhash Chand, B.O Bankhandi/ Sadwan (Team II) and Sh. Pawan Kumar, RFO Nagrota Surian (Team III). Vide order no. 4465-68 dated 05/09/2022 (Annex II). The enquiry/Inspection was conducted in the forests/compartments where complainant Sh. Surjit Singh S/o Prithi Chand has demanded the enquiry team to check the areas of illicit felling. The complainant told that, he wants the inspection team to check some compartments of Banoori (C.3 & C.4), Rail (C-4 & C-5), and Kalot (C1b) forests, so the inspections were confined to these compartments only. The teams inspected the forest on various dates, the complainant assisted the teams on 06/09/2022 and UPF Rail (C-4 & C-5), UPF Banoori C-4 and DPF Kalot (C1b) were inspected in his presence. Again on dated 07/09/2022, the complainant assisted the team along with the local Patwari but as

reported by the revenue officials the stumps, which Surjit Singh told in the forest land were actually in the private land of Smt Bimla Devi w/o Sh. Labh Singh and Shri Hari Singh S/o Munshi Ram etc. But Sh. Surjit Singh demanded for re-demarcation of that land (statement on record Annex III & Annex IV). Also the private land owners Smt. Bimla Devi, Sh. Shiv Kumar were also present on the spot and they gave collective statement that they are the owner of that land & they have sold their Khair trees to contractors for felling under Ten year felling programe and they also demanded that the demarcation of the land must be done in their presence (statement enclosed as Annex-V).

Regarding demarcation the communication has been made with revenue department vide No 4622 dated 07/09/2022, No 5167 dated 28/09/2022 and No 6086 dated 31/10/2022 (Annex-VI). But finally the date of demarcation is fixed on 22.12.2022 by revenue department. Also Surjit Singh Was informed vide letter No 5177, dated 30/09/2022 to join the enquiry team during inspection of spots identified by him (Annex-VII).

The teams constituted for the purpose inspected the compartments of the forests told by Sh. Surjit Singh and following observations were made.

**Teams:-**

Team-I	Team-II	Team-III
Sh. Ashish Kumar, RFO Dehra, Chairman	Sh. Subhash Chand, BO. Bankhandi/ Sadwan Chairman	Sh. Pawan Kumar, RFO, Nagrota Surian Range, Chairman
Sh. Sunil Kumar, Fgd, I/c Dehra beat	Sh. Varinder Kumar, Fgd, I/c Nagrota Surian beat	Sh. Abhishek Jaswal, Fgd, I/c Khuman beat
Sh. Rajesh Kumar, Fgd Dada Siba beat	Sh. Ajay Kumar, Fgd, Challan beat.	Sh. Hans Raj, BO Kotla.
Sh. Rajesh Kumar, Fgd Chanour beat.	Sh. Sushil Kumar, Fgd, Jandour beat	Sh. Pardeep Kumar, Fgd Bathu beat
Smt. Mamta, Fgd, Range Assistant Dada Siba Range	Smt. Pooanm Fgd, Magroo beat	Sh. Kartar Singh, Fgd, Amroh beat.
Smt. Usha Devi, Fgd, Dhaliara beat.	Smt. Anju Bala, Fgd, Shantla beat.	

Observation

Sr. No	Name of Forests(Compartments)	No of Khair stumps	Class	Pits/uprootings	Remark
1	UPF Rail (C-4) above Fgd hut	1	Class III	3	Not possible to assess the class of trees on the basis of visible roots in pits (Uprooting)
2	UPF Rail(C-5)	5	Class III	12	
3	DP Kalot C1b	7	4-class IIA 3-Class III	32	
4	UPF Banoori C-3	7	1-class IV 6-Class III	4	
5	UPF BanooriC-4	5	Class III	6	

For these 25 Khair stumps and 57 uprooting's/pits where roots were visible and appears to be Khair roots the Range Forest officer Dadasiba was asked to explain his position in this regard vide letter No /RK/6317 dated 04/11/2022 (Annex-VIII)

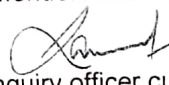

As per the report of R O Dadasiba, the cognizance of illicitly felled 15 Khair trees has already been taken vide DR No 80/110, 81/110,85/110,89/110,90/110,91/110 & 92/110 in DP Kalot C1b and UPF Rail C-4 & C-5 compartments and compounding/compensation fess of Rs 148230/- stands deposited in Govt Treasury and 29 Khair logs were also recovered from the possession of offenders, also the concerned offenders were directed to plant 100 number of saplings of Khair species in the same beat in the coming monsoon season at their own cost and maintain them for at least 3 years. The cost of maintenance of these plants would be borne by the offenders. But regarding 10 more stumps no action has been taken by the concerned field staff but as reported by R.O Dada Siba during the course of search operation by the filed staff 34 logs & 7 no of Khair stumps/roots were recovered in nallas close to the forest areas where the illicit felling were detected, which he presumed that these logs can be of those 10 trees which were found illicitly felled.

However regarding 57 pits/uprooting's no action has been taken by the field staff. But when concerned Range officer was asked to explain his position in this regard, he admitted that no action has been taken related to 57 pits/ uprooting's but during 2019-20 and 2020-21 total 114 dry trees of Khair were handed over to HP Forest Corporation Ltd., as salvage lots for felling and removal and all the 114 no of dry Khair trees were felled and removed by HP Forest corporation, so the uprooting's might be of salvage stumps, the timber of which had been felled& removed by the forest corporation. Report of R.O Dada Siba is enclosed as Annex-IX.

The demarcation of disputed land (Private or forest) was done by the revenue officials on 22<sup>nd</sup> of December 2022 in the presence of Sh. Surjit Singh S/o Prithi singh, all the private land holders, the concerned staff of Dadasiba Range and enquiry committee members. As per the report of revenue Kanungo the disputed land is private land. The report of revenue Kanungo and Kanungo forest is attached as Annex X & Annex XI. Also the statement of local residents' owners of that private land is attached as Annex. XII. The statement of Shri Surjit is also attached as Annex XIII.

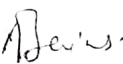

From the above inspections and facts it is found that the concerned field staff failed to detect uprooting & illicit felling of Khair trees in their jurisdiction and tracing of offenders well in time.

Dated Dehra, the/ 4-11-2022

From: ACF Dehra

To: RFO Dadasiba

Subject: - Illicit felling of Khair trees in Rail beat of Dadasiba Range

Memorandum

This is with reference the subjected mentioned above and in continuation to my all the previous communications in this regards. As you are aware that during the course of enquiry 25 fresh Khair stumps and 57 uprooting/pits were detecting by the committee members in the forests of Banuri, Rail & Kalot. You are therefore directed to explain your position in this regard, so that the final report can be submitted to higher ups. Please ensure your reply should reach in this office within three days positively.

  
o/c Assistant Conservator of Forests,  
O/o Dehra Forest Division, Dehra.

Letter No.: 50/0/D.S

Dated: 29-12-2022

From: RFO Dadasiba

To: Enquiry officer cum ACF Dehra

**Subject: Submission of reply regarding illicit felling in rail beat with respect to complaint from Sh. Surjit Singh S/O Sh. Pirthi Chand**

Memo

Reference to your office letter no. 6317 on subject mentioned above, In continuation of previous reply with respect to complaint received from Sh. Surjit Singh S/O Pirthi Chand under DFO office Endst no. 1398 dated 09-05-2022.

- As per office record for Rail and kalot forest, the cognizance of illicit felling 15 number of trees which were found illicitly felled had already been taken by the concerned staff and the Damage reports were chalked against the offenders bearing damage report no. 80/110, 81/110, 85/110, 88/110, 89/110, 90/110, 91/110, 92/110 which were compounded and accordingly the Compounding / Compensation fees realized from the offenders to the tune of Rs 148230/- ( One Lakh Forty Eight Thousands Two Hundreds and Thirty Rupees) was deposited into the Government Treasury and besides this 29 khair logs were also recovered from the possession of offenders.
- Further the concerned offenders were also directed to plant 100 number of saplings of Khair species in the same Beat in the forthcoming Monsoon Season at their Own cost and maintain them for at least three years. The cost of Maintaining these plants would be borne by the offenders.
- Further reported that as per office record, there is no action for remaining 10 trees. However, during our search operation we have recovered 34 logs of Khair spp having volume 0.737 m<sup>3</sup> which were dumped in nallas close to forest area where the illicit fellings were detected, which can be presumed that these Khair logs can be of those 10 trees which were found felled illicitly. Trees which were found illicitly felled had already been taken by the concerned staff.
- It is further reported that there is no record of action taken related to 57 pits/uprootings as detected by the Joint Inspection Team. However it is pertinent to mention here that a total of 114 dry trees of Khair species were handed over to Forest Corporation as a Salvage lot for felling and removal during the year 2019-20 and 2020-21 ( The list of khair trees handed over to Forest Corporation during the year 2019-20 enclosed as Annexure -1 and for the year 2020-21 is enclosed Annexure -2). All the 114 number of dry khair trees were felled and removed by Forest corporation. The detail of dry khair trees handed over to Forest Corporation year wise & forest wise where uprootings were detected is given below.

Sr No	Forest	2019-20	2020-21	Total
1	UPF BanuriC4	19 Trees	04 trees	23
	UPF Banuri C3	NIL	13 trees	13
	UPF Banuri C1	05 Trees	Nil	05
	UPF BanuriC5	Nil	13 trees	13
2	UPF Rail C5	02 Trees	Nil	02
	UPF Rail C4	Nil	30 trees	30
3	DP KalotC1B	NIL	28 trees	28
TOTAL		26	88	114
Remarks		All the trees were Felled	All the trees were Felled	

So these uprootings might be of Salvage stumps, the timber of which had been felled and removed by the Forest Corporation. Further informed that 7 number of Khair stumps/roots were recovered by field staff from Kalot forest of Rail Beat.

The enquiry committee kindly consider this information for further action.

Annexure-9

Dated Dehra, the/ 4-11-2022

From: ACF Dehra

To: RFO Dadasiba

Subject: - **Illicit felling of Khair trees in Rail beat of Dadasiba Range**

Memorandum

This is with reference the subjected mentioned above and in continuation to my all the previous communications in this regards. As you are aware that during the course of enquiry 25 fresh Khair stumps and 57 uprooting/pits were detecting by the committee members in the forests of Banuri, Rail & Kalot. You are therefore directed to explain your position in this regard, so that the final report can be submitted to higher ups. Please ensure your reply should reach in this office within three days positively.

  
o/c Assistant Conservator of Forests,  
O/o Dehra Forest Division, Dehra.

\*\*\*\*

Office of Range Forest Officer Dadasiba Distt. Kangra, Himachal Pradesh

Email : [rangeofficedada@gmail.com](mailto:rangeofficedada@gmail.com)

Letter No.: 50/0/DS

Dated: 29-12-2022

From: RFO Dadasiba

To: Enquiry officer cum ACF Dehra

**Subject: Submission of reply regarding illicit felling in rail beat with respect to complaint from Sh. Surjit Singh S/O Sh. Pirthi Chand**

Memo:

Reference to your office letter no. 6317 on subject mentioned above, In continuation of previous reply with respect to complaint received from Sh. Surjit Singh S/O Pirthi Chand under DFO office Endst no. 1398 dated 09-05-2022.

- As per office record for Rail and kalot forest, the cognizance of illicit felling 15 number of trees which were found illicitly felled had already been taken by the concerned staff and the Damage reports were chalked against the offenders bearing damage report no. 80/110,81/110,85/110,88/110,89/110,90/110,91/110,92/110 which were compounded and accordingly the Compounding / Compensation fees realized from the offenders to the tune of Rs.148230/- ( One Lakh Forty Eight Thousands Two Hundreds and Thirty Rupees) was deposited into the Government Treasury and besides this 29 khair logs were also recovered from the possession of offenders.
- Further the concerned offenders were also directed to plant 100 number of saplings of Khair species in the same Beat in the forthcoming Monsoon Season at their Own cost and maintain them for at least three years. The cost of Maintaining these plants would be borne by the offenders.
- Further reported that as per office record, there is no action for remaining 10 trees. However, during our search operation we have recovered 34 logs of Khair spp having volume 0.737 m<sup>3</sup> which were dumped in nallas close to forest area where the illicit fellings were detected, which can be presumed that these Khair logs can be of those 10 trees which were found felled illicitly.
- It is further reported that there is no record of action taken related to 57 pits/uprootings as detected by the Joint Inspection Team. However it is pertinent to mention here that a total of 114 dry trees of Khair species were handed over to Forest Corporation as a Salvage lot for felling and removal during the year 2019-20 and 2020-21 ( The list of khair trees handed over to Forest Corporation during the year 2019-20 enclosed as Annexure -1 and for the year 2020-21 is enclosed Annexure-2). All the 114 number of dry khair trees were felled and removed by Forest corporation. The detail of dry khair trees handed over to Forest Corporation year wise & forest wise where uprootings were detected is given below.

Sr No	Forest	2019-20	2020-21	Total
1	UPF Banuri C4	19 Trees	04 trees	23
	UPF Banuri C3	Nil	13 trees	13
	UPF Banuri C1	05 trees	Nil	05
	UPF Banuri C5	Nil	13 trees	13
2	UPF Rail C5	02 Trees	Nil	02
	UPF Rail C4	Nil	30 trees	30
3	DP Kalot C1B	NIL	28 trees	28
TOTAL		26	88	114
Remarks		All the trees were Felled	All the trees were Felled	

So these uprootings might be of Salvage stumps, the timber of which had been felled and removed by the Forest Corporation. Further informed that 7 number of Khair stumps/roots were recovered by field staff from Kalot forest of Rail Beat.

The enquiry committee kindly consider this information for further action.

Divisional Forest Officer,  
Dehra Forest Division, Dehra

No 6757  
H.P. Forest Department.  
Dated 21-11-2022

From: - DFO Dehra

To:- RO Dadasiba

Subject:- **Compensatory Afforestation / Plantation on non-forest land/ private land – compliance of direction of Hon'ble NGT.**

Memo,

Enclosed find herewith the order of Hon'ble NGT dated 17.10.2022 passed in Original Application No.445/ 2022 in Surjeet Singh ... Applicant Versus State of Himachal Pradesh....Respondent, wherein the Hon'ble court has directed to "**Encourage by appropriate means for the plantation / compensatory afforestation in non forest land/ private land in lieu of *Acacia catechu* trees permitted for felled for the protection and improvement of Environment**".

Further in various Tikas of Dadisiba range which were opened for felling /sale of khair trees during 2021-22, and after having adopted the due procedure and in conformity with the prevailing rules, the felling permission was granted by the competent authority for felling of 5569 number of green khair trees from private malkiyati land in Dadasiba Range and of which 1512 number of khair trees felled upto 31.03.2022.

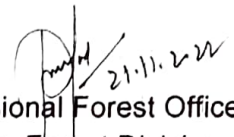

Now in order to ensure the compliance of directions of Hon'ble NGT, the following directions have been issued to you:-

1. Identify a land bank of 6 Ha. or more of blank / degraded forest area, most preferably in Rail beat or adjoining beats and ensure the plantation of 6600 or more number of plants of khair ( *Acacia catechu* ) & other valuable species as per site condition in forthcoming Monsoon season i.e in July & August of 2023 against the compensatory plantation security deposited by the Registered Private Forest Contractors in lieu of trees permitted for felling from private/ Malkiti land.
2. To raise 500 number of plants of Khair spp. in Nursery in the current financial year i.e 2022-23 & the cost of raising these new plants would be borne by the offenders who involved in the illicit felling of khair trees in Rail Beat.

3. Further the Offenders will bear not only the Nursery Cost of raising 500 plants but also the plantation cost of 250 khair plants and their maintenance for three years.
4. It must be ensured that the offenders themselves will do the plantation and no labour will be involved.
5. Distribute 100 number of seedling of khair spp free of cost to the forest fringe communities in Rail Beat and encourage them to raise Khair<sup>m</sup> plantation in their own private land. Maintain a proper record in this regard.
6. Conduct a special Plantation Drive by involving local communities in planting 150 seedlings of Khair spp on forest land adjoining to the village and get these plants adopted by themselves so that they take care of these plants till their establishment.
7. The proper record of these plantation be maintained by the concerned forest guard along with the detail of person who will plant & adopt the saplings and the Range Officer will periodically check the documents as well as plantation and record his findings & suggestions.
8. RO to ensure that the Environmental Awareness meetings be conducted with the local communities at regular interval so that their active participation/ assistance be sought in the protection of forests and bio diversity.
