MOST RESPECTFULLY SOWETH:

1. That the applicant in person had filed the petition for the direction of the hon'ble tribunal under the NGT act-2010.
2. That the applicant in person is filling herewith, the arguments on the district constituted committee report and reply submitted by respondents in compliance of order by Hon'ble Tribunal.
3. Google drive link of Videos Proof of offence are e-mailed dated 25th june 2021 to email-ID judicial-ngt@gov.in and on 19th April, 2023 to ngt-pune@gov.in through my email ID- lalitic24@gmail.com

Herewith soft copy of videos of offence the CD of is submitted.

My humble request to The Hon'ble National Green Tribunal for the consideration of these videos as evidence in this matter.

4. That the following may kindly permitted to be accepted in the Matter:

As mentioned in fact (05) page no (03), since 2014 -15 the respondent no (06) The then chief Officer Faizpur municipal council Faizpur used to deposit all types of garbage SMW in the bed of Dhadi river.

Dhadi River is Sub River to Tapi (inter-state) River which is source of drinking water for various cities as Bhusawal to Surat. Having various barrages and dam constructed on its further length.

In government Swachha Sarvekshyan mission 2018 on 31st, the day December 2017 the then chief officer M.C. Faizpur respondent no (06) shifted all MSW to main stream of Dhadi river in deep scour depth of flood flow and covered up with the soil borrowed from other location.

As mentioned in limitation page no (04) of this matter I had given the application to all **respondent No. (01 to 05)** to take

appropriate action, the authorities concerned/respondent could have taken appropriate action before monsoon.

Keeping evidence they/respondents no **(01 to 05)** also could have protect environment losses, “The matter is in court let’s wait for order thereafter we will do”- this administrative mentality is very harmful in sector.

Argument on report submitted by the district committee:

I am submitting these arguments before the Hon'ble Tribunal in reply of the forge report made with the hand in glow with revenue machinery by district committee.

This district committee was constituted with

- A.** The regional Officer MPCB Jalgaon represents respondent **no-02 and 05**.
- B.** The district administrative officer, Municipal council represent respondent **no-03** in presence the Chief Officer Municipal Council Faizpur – respondent **no 06**.
- C.** The District Collector-respondent **no 04**.

Thus the district committee was constituted by all respondents / their departmental representative.

This dereliction in duty by all respondents is much more responsible for environmental damages than the respondent no 06. And act is done in their consent and

connivance (Herewith **EXIBIT-H**: argument on the district
committee report P.No. 470 to 484)

Argument on report submitted by the respondent No. 06

(The Chief Officer M.C. faizpur):

This report is received through email from Faizpur municipal council faizpur, Tah: Yawal Dist: Jalgaon on 30th Jan, 2023.

a. The report is submitted by the Shri Vaibhav Londhe
Present Chief Officer Faizpur municipal council faizpur,
Tah: Yawal Dist: Jalgaon

b. **As in *Para 2*** mentioned “ *At the outset this deponent humbly submits that there is absolutely no intention at any point of time to harm to environment. The municipal council has only works for the welfare of the people of the Faizpur city. This deponent humbly submits that as per report of the district committee the Dhadi River is dry through out of year.*” _

l) **By this statement** - it has been admitted the
crime/offence has been committed.

II) Dhadi River is perennial with shorts flood during monsoon. All detail evidence are attached with **(in attachment P.No.486, 488.**

After all river is natural occurrence depositing SMW in natural river bed not justified.

c. As in Para 3 *“.....It seems that, the allegation levelled by the applicant is in personam against the then Chief officer therefore it is highly difficult for this deponent to answer on behalf of then Chief Officer as then Chief officer is not a by name party in this application. This deponent humbly submits the municipal council Faizpur has not done any intentional act to harm the environment.”* Thus itself proves:

- I. The Municipal Council doesn't have any documents, voucher against labour payment and machinery of proof concerned to transport of SMW from river bed to process unit GAT.No.140 Kalmoda Shivar.

II. The SMW rule 2016 is in force since 8th April, 2016.

The Chief Officer of Municipal council is selected by State public service commission having responsible post in admiration, should aware about rules and guidelines laid by the government time to time.

III. The offence has been committed with the consent, connivance of the then Chief Officer Faizpur Municipal council, Faizpur.

IV. In initial hearing Hon'ble Tribunal raises the issue of STP in Faizpur city. Remarks are found this report. Pardon me; my matter is of deposition of Solid Municipal Waste (biodegradable/non-biodegradable) in Dhadi River, damages to environment through soil, water / ground water pollution.

Argument on report submitted by the MPCB respondent

No. 01, 02, 05:

- a) Respondent No 05, the sub-regional Officer MPCB is district level officer is part of MPCB administration represents respondent No. 02 was intimated about offence and requisite action to be taken on 12th Feb, 2018.
- b) Reference to hearing and order dated 14/11/2022, Order *Para '2'* - from the side of **respondent no 01/The Principal secretary State of Maharashtra-** Mr Anirudhha Kulkarni, learned counsel has appeared and apprised that he does not want to file reply affidavit’.
- c) Complaint were lodged on Maharashtra state Grievance portal “Aaple sarkar” towards Environment department M.S. with token no. ENVD/2018/1825 dt 18/0/2018. (Pl.Ref to **page no.10-17 in OA65/2018 is the details of complaint**) The appropriate action

should have been taken by **respondent no 01/The Principal secretary Environment Department, State of Maharashtra** in time as per the given complaint but they have not done so.

MY HUMBLE PRAY BEFORE HON'BLE TRIBUNAL:

All the respondents are responsible for the violation and non-following the direction of THE SOLID WASTE MANAGEMENT RULE SECTION 2016 SECTION (05),(06),(11),(12),(13),(15),(16), in the illegal act done by the then Chief Officer Municipal Council Faizpur.

So for necessary action against respondents the present application is filed before The Hon'ble National Green Tribunal seeking the order under **section (15), (26), (28) of The National Green Tribunal Law 2010** and **Article 48A in The Constitution of India 1949**.

And for this act of kindness the applicant shall ever remain grateful.

In '2.0 previous event' para of the committee report

IN PARA 2.4 My submission

1. Reference complaint emailed to the SRO Jalgaon MPCB dated 12th feb 2018 (Pl. ref O.A. P.No. 13, 14), they visited site on 21/03/2018 and issued understanding notice to M.C. Faizpur vide dated 20/04/2018 (O.A. P.No. 08,09).

No any action of removal of the complaint related SMW from river basin is done. It's very serious dereliction and negligence in duty.

IN PARA 2.5 My submission

1. This second complaint was for depositing MSW in Mor river basin near bridge on nhavi Amoda road and at Rozoda road side for the non-compliance of 'The solid waste management Rule 2016', by vide date 14/08/2019, 19/11/2020 and 26/08/2021 to both the SRO Jalgaon and the collector Jalgaon.

But no necessary action is taken by the all respondents well in time, except measuring tree plantation.

The Chief officer M.C. Faizpur has levied the penalty of rupees of 1000/- (in words- one thousand rupees to contractor) as in action. There were the proceedings to cover up the crime. No any proper action was taken. (Please ref page no 528 , 529 .

In report letter to The Collector Jalgaon submitted by MPCB officer Jalgaon, ref to my second complaint against contractor, dated 14/08/2019, the SRO MPCB have been mentioned visit on date 3/10/2020 to Dhadi River. But my complaint mentioned places were at Mor river basin and Rozoda road side Nala.

This second complaint to SRO MPCB Jalgaon was separate and not related to this matter OA65/2018, which is still unsolved.(please ref to P.No. 496 to 512)

IN PARA 2. 6 My submission:

1. MPCB has levied the compensation charges vide letter dated 07/12/2020 & 11/12/2020 for noncompliance of solid waste management and legacy waste management, untreated solid

472

waste to the tune of 0.9 MT/day for duration of 1/04/2020 to 30/11/2020.

2. Herewith I am submitting the letter issued by the Chief Officer, Faizpur Municipal Council Faizpur, O.W. 1529 dated 18/11/2021 Panchnama/report on MSW dumped without process as per SMW act 2016 at G.No.140, Kalmoda Shivar processing unit. (P.No. 514 to 520))

Thus The MPCB officials are intentionally late and inadequate in action over the both complaints. They seems to be not sure of their duties as they intentionally makes lots of mistakes in discharge of duty just to cover up the offence, to protect the respondents.

In any conditions/situation dumping of MSW in river basin and below river bed not justified.

The committee for the Hon'ble National Green Tribunal in order dated 21/07/2020 in O.A. 65/2018 has submitted forge and corrupt report before The Hon'ble NGT.

IN PARA 3.2.7 My submission:

1. Not related to subject in my OA 65/2018.

IN PARA 3.0 Committee visit & Observation

IN PARA 3.1 Visit My submission:

1. Thus all the respondents and their representative were involved in the district committee.
2. Offence is happened on date 31st of December 2017 in consent and connivance of chief officer M.C. Faizpur. Photographs are submitted with O.A. 65/2018 (Pl. ref. O.A. I am submitting again photographs and video of offence herewith in CD (soft copy).

3. My Complaint to respondent no. (05), The SRO Jalgaon MPCB was through e-mail on 12th, Feb 2018 (Pl. ref. O.A. P.No. 14 to 17)
4. My Complaint to respondent no. (01), The Additional secretary Environmental department and the secretary water supply and sanitation M.S. Mumbai on govt. portal "Apale Sarkar". (O.A. P.No. 10 to 13) was on 18th Jan 2018.
5. After continue follow up The SRO Jalgaon MPCB visited site on 21/03/2018 and issued understanding notice dt. 20/04/2018 to M.C. Faizpur without any proper action. (O.A. P.No. 08,09)
6. My application to Hon'ble NGT (WZ) is on dt. 29th august 2018.

Period of 3yrs 7month, three and half of rainy season is passed with lots of flood, hence according to 'The Solid Waste Management Rule 2016, section 12 to 15 it is negligence in duty by the all respondents.

IN PARA 3.2 Observation: -My submission-

Image No.01 Demarked Google image below,

1. The area measured by committee 250x100 shown in google map is 100% portion of river bed, and adjacent to Haatbazar (Athawade bazar). Herein demarked Google Map image No. 01 above.
2. MSW since 2016 was thrown and dumped into Dhadi river basin to be carried away in flood waters. Basin Place where MSW was being thrown is demarked in Google image in report. Before the

Swachha Sarvekshyan Abhiyan-2018 monitoring committee visit, this MSW lifted and dumped in deep and scoured depth d/s to bridge, north of side of same place on the 31st Dec 2017 is demarked Google Map image No. 01 above. This spread and dumped MSW in river bed is covered by barrowing soil (Pl. ref. O.A.P.No. 22 Photograph). During this three and half rainy season floods the most of MSW drained down. MSW buried part below scour depth is still existed is being pollute the Ground water.

IN PARA 3.2.2 My submission:

1. The committee visited on 27/07/2021. It was rainy season in Maharashtra. In Photographs submitted by committee, the members holding umbrella to keep dry themselves from rain. (Pl. ref committee report P. No. 6-7)
2. In Municipal council record 160 trees were planted, but it is totally within river basin just after the few days of offence. (Pl. ref O.A. P.No. 22 Photograph)

3. The site of incident should have been excavated. Instead of being inspected from high bridge nothing proper enquiry is made. The District Committee didn't either make the statement on unsegregated SMW collected on treatment plant, or on non-compliance of SMW management act 2016.

IN PARA 3.2.3 My submission:

1. This small Nala carrying sewage of town is passing through the river bed dumped with SMW, by the percolation of this sewage water over this dump in river bed the harmful leachate of this SMW dumped is polluting ground water.

IN PARA 3.2.4 My submission:

1. The existing site is used to dump all MSW since January 2018, but till date it is not operational.
2. Municipal council report vide dated 18/11/2021, just four month later of the committee visit on SMW collected at G. No.140 kalmoda shivar and electric bill of plant admits the not working on SMW as per SMW rule 2016. (report and Ele. bill p

no. 414 to 426), Hence its proves that the committee submitted the forge, corrupt report.

3. The SRO MPCB Jalgaon Maharashtra visited on 28/09/2022 the SMW treatment plant and area on my present complaint. Report states that, there is no processing of solid municipal waste of duration 2019 to 31 July 2021 and SMW found dumped elsewhere in Nalas, Well, road sides and violation of SMW rule 2016. (Pl.ref P.No. 490 to 492)

IN PARA 3.2.5 My submission:

1. Construction of civil works is completed on 19/08/2020, and machinery purchasing and installation is done during 2020-21. Letter dated 01/11/2021 is attached P.No.

IN PARA 3.2.6 My submission:

1. Haatbazar and Dhadi River's west bank have the common boundary. No space in between them.
2. The Committee visited and inspect the on 27th July 2021, it is almost 3yrs 7 month latter of offence dated 31st,Dec 2017

happened, in between duration of 3_4 monsoon with numbers of flood passed.

- 3. The** Committee unable to produce evidence of shifting of complaint related SMW to processing site. Details are given above in Para my submission over report clause 3.1. Still there SMW collected since Feb 2.018 is lying in that place of processing unit Gat. No.140. It is neither both segregated and sorted, nor it is technically possible now. It is also thrown in Nallas and wells around the Faizpur city. Herein I am submitting photographs (**Image No. 02 to 05**), which is also marked in report of the Sub-regional Officer MPCB jalgaon and Panchanama report by M.C.Faizpur O.W. date 18/11/2021 with all quantity measurement. महोदय,

उपरोक्त विषयान्वये लेखी तक्रार करतो की, फैजपूर नगर परिषद फैजपूर, ता. यावल जि. जळगांव (महाराष्ट्र) तर्फे चालु आर्थिक वर्षात घनकचरा व्यवस्थापनाचा एका कंपनीस (नाव माहिती नाही) ठेका देण्यात आलेला आहे. परंतु सदर निवीदा अटी व शर्ती व राष्ट्रीय हरीत लवाद कडील मुळ अर्ज ६०६/२०१८ वरील दि.८-४-२०१९ चे सुनावणी आदेश तसेच Compliance of Municipal Solid Waste Management Rule २०१६ (MS) चे अनुपालन करण्यात आलेले नाही. काही महिन्यांपासून घनकचऱ्याचे Bio-degradable, Non-Biodegradable असे वर्गीकरण तथा प्रक्रिया करण्यात येत नाही. शहरातील घनकचरा हा मोरनदी पात्रात, रोझोदा रस्त्यावरील नाला भरावासाठी व पिंपरूड शिवारातील जगनाडे नगर भागात टाकण्यात येत आहे. त्यामुळे निवीदा अटी शर्तीचे उल्लंघन होऊन पर्यावरणाची हानी झालेली आहे. सदर बाब फैजपूर न.प. फैजपूर यांचे माहितीस असूनही संबंधीत मक्तेदार कंपनीस मासिक देयके देण्यात येत आहेत. तरी राष्ट्रीय हरीत लवाद सुनावणी दि.८-४-२०१९ मधील भाग (१) ठरावामधील मुद्दा क्र. २४ नुसार Section १५ of environment (Protection) Act १९८६ नुसार दंडात्मक कारवाई व्हावी. व Environmental compensation in terms of section १५ and १७ of National Green Tribunal Act २०१० नुसार पर्यावरणाची नुकसान भरपाई होणे हेतू राष्ट्रीय हरीत लवादाकडे योग्य त्या पंचनाम्यासह माझी तक्रार करण्यासाठी उचित कार्यवाही व्हावी.
