2. The allegation of the Applicant in the present Original Application is that the Respondent No.7 is illegally operating a 'Gaushala' in the name and style of 'Suravi Sadan Gaushala' under the Rajasthan Gokalyan Trust, Respondent No.8.
3. It is alleged that the said Gaushala Unit of Respondent No.7 is operating for several years without a valid Consent to Establish and Consent to Operate from the West Bengal Pollution Control Board.
4. It is also alleged that the Respondent No.7 Gaushala Unit is operating in violation of the provisions of Guidelines for Environmental Management of Dairy Farms and Gaushalas' published by the Central Pollution Control Board in July, 2021.

5. It is further alleged that the Respondent No.7 Gaushala in question is located within 60 meters and 80 meters away from residential dwellings and schools instead of being located beyond 100 meters from the residential areas and, therefore, its siting is in violation of the Guidelines, 2021.

It is stated that as per the Central Pollution Control Board Notification dated 07.03.2016 'Dairy Farm' is listed under 'Orange' category and obtaining Consent to Establish and Consent to Operate under the Air (Prevention and Control of Pollution) Act, 1981, and the Water (Prevention and Control of Pollution) Act, 1974, are mandatory for Red, Orange and Green category industries.
7. It is further stated that the Applicant had moved an RTI application before the West Bengal Pollution Control Board vide his letter dated 12.05.2023, seeking information regarding Consent to Establish and Consent to Operate granted to the Respondent No.7, Suravi Sadan Goshala, but the reply in response thereto dated 23.06.2023 merely states that 'no information is available regarding the matter'.
