

GOVERNMENT OF INDIA
MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE
RAJYA SABHA
STARRED QUESTION NO. 85
TO BE ANSWERED ON 11.02.2019

Polluted stretches of the rivers

*85. SHRI NARANBHAI J. RATHWA:

Will the Minister of ENVIRONMENT, FOREST AND CLIMATE CHANGE be pleased to state:

- (a) the number of rivers along with the number of polluted stretches thereof at present and the location-wise details thereof;
- (b) the officers responsible for controlling pollution on these polluted stretches;
- (c) whether any action has been taken against such officers by Government;
- (d) if so, the details thereof; and
- (e) if not, the reasons therefor?

ANSWER

MINISTER OF ENVIRONMENT, FOREST AND CLIMATE CHANGE (DR. HARSH VARDHAN)

(a) to (e) A Statement is laid on the Table of the House.

Statement referred to in reply to parts (a) to (e) of Rajya Sabha Starred Question No.85 to be answered on Monday, the 11th February, 2019 on 'Polluted stretches of the rivers' by Shri Naranbhai J. Rathwa

(a) The Central Pollution Control Board (CPCB) in association with the State Pollution Control Boards (SPCBs)/Pollution Control Committees (PCCs) monitors the water quality of rivers across the country through a network of monitoring stations under the National Water Quality Monitoring Programme. As per the report published by CPCB in September 2018, 351 polluted river stretches have been identified on 323 rivers, spread over 29 States and 2 Union Territory, as per stretch-wise & State-wise details given at *Annexure*.

(b) to (e) Pollution abatement of rivers is a continuous and ongoing process taking into account rapid industrialisation, urbanization & increase in population. It is the primary responsibility of the State Governments/ local bodies concerned to set up facilities for collection, transportation and treatment of sewage being generated and ensure that untreated sewage is not discharged into the rivers, thereby polluting them. This Ministry has been supplementing the efforts of the State Governments in abatement of pollution of various rivers under the scheme of National River Conservation Plan (NRCP), on a cost sharing basis between the Central and State Governments. Project proposals are received from the State Governments from time to time for taking up pollution abatement works in towns along various rivers, and are considered for financial assistance under the NRCP subject to their conformity with the scheme guidelines, pollution status, prioritization, appraisal by independent institutions, willingness of the State Governments to contribute their matching share and availability of Plan funds.

Pollution abatement works in identified stretches of Ganga and its tributaries are handled by Ministry of Water Resources, River Development & Ganga Rejuvenation (MoWR,RD&GR) from 01/08/2014 onwards.

The pollution abatement works are executed by the State implementing agencies, inter-alia, Public Health Engineering Departments, Water Supply and Sewerage Boards, Jal Nigams, concerned local bodies, etc. nominated by the State Governments and functioning under their control.

Further, to control discharge of industrial effluents, CPCB and respective SPCBs/PCCs monitor industries with respect to effluent discharge standards and take action for non-compliance under the Water (Prevention and Control of Pollution) Act, 1974 and the Environment (Protection) Act, 1986. To improve the monitoring of compliance, directions have been issued by CPCB to specific industries to install online 24x7 effluent monitoring systems. Steps have also been taken by CPCB to promote low waste concept in grossly water polluting industries, particularly those located on the river banks.

Annexure referred to in reply to part (a) of Rajya Sabha Starred Question No. 85 to be answered on Monday, the 11th February, 2019 on 'Polluted stretches of the rivers'

State-Wise details of identified polluted river stretch as per CPCB Report of 2018.

S.No.	State	Name of River	River Stretches	Number of Stretches
1	Andhra Pradesh	Kundu	Nandyal To Madduru	5
2		Tungabhadra	Manthralayam To Bavapuram	
3		Godavari	Rayanpeta To Rajahmundry
