ORDER

1. Grievance in this application is against pollution of river Suswa by release of polluted water at village Dodwala and Nauka in District Dehradun, Uttarakhand. It is stated that apart from sewage water, plastic bags are also being dumped in the drain which is affecting environment and public health. The area has been included in the urban area of Dehradun but remedial measures are not being taken.

2. Having regard to above, we are of the opinion that the matter needs to be looked into and remedial action taken by the District Magistrate, Dehradun and State PCB following due process of law. It may be ensured that untreated sewage and plastic are not discharged and dumped into the river.

The application is disposed of.

A copy of this order, along with complaint, be sent to the District Magistrate, Dehradun and State PCB by e-mail for compliance.
