Respondent No. 4.

ORDER

1. This matter had been effectively disposed off by order dated 14.11.2019 but was kept pending only for the limited purpose of ensuring that the environmental compensation duly assessed in accordance with the guidelines of the CPCB were paid to the satisfaction of the CPCB.
2. Learned Counsel for the State PCB submits that although all steps necessary for prohibiting further continuation of the questioned unit have been taken and other directions issued *vide* order dated 14.11.2019 have been complied with, there being a discrepancy in the amount of

compensation worked out/assessed by the CGWA and the CPCB, the CPCB has been requested by the CGWA to revisit the environmental compensation assessed by it.

3. We do not understand as to why such confusion should arise as the environmental compensation assessed by the CPCB should supersede the one assessed by the CGWA as environmental compensation is assessed as per the guidelines prepared by the CPCB.
4. We, therefore, direct that environmental compensation of ₹5,86,368/- assessed by the CPCB shall be paid by the unit in question in terms of the orders passed from time to time.
5. Let the payment be done within a period of one month from hence.
6. With the above directions, the O.A. stands disposed off.
7. No order as to costs.
8. A report of compliance of this order shall be submitted to the Registry through e-mail at judicial-ngt@gov.in on or before 16.03.2020.
