ORDER

A report was sought from the Central Pollution Control Board (CPCB), Delhi Pollution Control Committee (DPCC) and the concerned District Magistrates with reference to the allegation that red category industries were discharging pollutants into the ambient air, water and soil. The activities were of dyeing factories using chemicals. The discharge of effluents resulted in diseases like lung cancer, asthma, diarrhoea etc. The polluting activities were located in Bawana Industrial Area, Mayapuri Industrial Area, Uttam Nagar and Khyala.

Accordingly, the report filed on 12.10.2019 is to the effect that requisite remedial action has been taken and compensation assessed for violations.

In view of above, no further order appears to be necessary at this stage except that the assessed compensation may be recovered in accordance with law.

The application is disposed of.
