**ORDER**

1. This application seeks enforcement of order of this Tribunal dated 11.07.2017 prohibiting use of thread made of nylon, synthetic material and/or coated with synthetic substance which is non-biodegradable for kite flying. This Tribunal noted its adverse impact on wildlife and human health and directed prohibition of manufacture, sale, storage, purchase and use of such thread. The direction was to be enforced by the Chief Secretaries of all the States/UTs through the respective District Administration.

2. The Tribunal sought a report about the status of compliance from the CPCB. Accordingly, CPCB has filed its report on 04.08.2020 mentioning that all the States have given the status of compliance except the States of Assam, Jharkhand, Kerala, Manipur, Tamil Nadu and UTs Daman Diu and Dadar Nagar Haveli. Substantially, order is reported to be complied. CPCB may also coordinate with the States/UTs which have not so far stand taken or where compliance is not being ensured.

3. In view of the above, no further order is necessary except that CPCB may take further action in respect of States where the compliance is not taking place or where the States/UTs have not responded. CPCB may also direct the State Boards/ Local Bodies to continue to monitor compliance at the ground level.

The application is disposed of.
