ORDER

1. Grievance in this application is against failure of Nagar Parishad Sirsa, Haryana to manage solid waste in Village Bakriyanwali, Sirsa. It is stated that earlier integrated waste management plant was set up at the site which included waste to energy plant. Huge amount was spent. The said plant has since been closed but the waste has remained unmanaged which is adversely affecting the environment and public health and also fertility of agricultural land in the vicinity. Monitoring Committee of NGT visited the site on 19.04.2022 and gave suggestions to the District Administration but no remedial action has been taken.

2. In view of above, it appears to be necessary to direct that the District Magistrate, Sirsa, Nagar Parishad Sirsa and State PCB need to look into the matter and take remedial action, following due process of law.

The application is disposed of.

A copy of this order, alongwith copy of complaint, be forwarded to District Magistrate, Sirsa, Nagar Parishad Sirsa and State PCB by e-mail for compliance.
