	<b>Date and Remarks</b>	<b>Orders of the Tribunal</b>
	<b>Item No. 05 May 06, 2016</b>	<p>Heard. Perused. A grievance is made about the illegal sewer connectivity and emptying of sewerage into storm water drain as well as storm water drain getting chocked up with MSW.</p> <p>On the last date, we had directed the Nagar Nigam to make a clear statement regarding the action that they propose to take for redressal of grievances made in the present case. In response to this undertaking dated 30-04-2016 of the Commissioner of Ghaziabad Municipal Corporation has been placed before us. Reading of this undertaking merely reveals 'helplessness' of the Municipal Corporation in taking steps for relieving the applicant of his misery. Nothing concrete has been revealed as to how the applicant would finally get redressal of his grievance. Undertaking also reveals that substantial amount of money has to come from Respondent No. 2 i.e. GDA for construction of sewer line network.</p> <p>Let the commissioner of Ghaziabad Municipal Corporation as well as the Secretary of Ghaziabad</p>

Development Authority remain present before us with relevant record on the next date of hearing.

List the matter on 13<sup>th</sup> May, 2016.
