Date and Remarks	Orders of the Tribunal
Item No. 24 September 02, 2015	<p>The Learned Counsel appearing for the Noticee Nos. 2 to 15 submits that they are running their shops on the back of which there is the railway track and they have no access to that area and as such they are not responsible for throwing any wastes on the railway tracks. He further submits that they would ensure that even if other people do throw the waste around their property they would make every effort to keep the same clean. He further says that on their own accord they would pay a sum of Rs. 1,000/- to the Railway Authorities who will place the major dust bins for dumping of waste in that area.</p> <p>Therefore, we issue directions to Railway Authority, that the Railway Authority would place dust bins in coordination with the North Delhi Municipal Council under whose jurisdiction the area falls. All these Noticees</p>

will pay Rs. 1,000/- as offered by them. This amount, as already directed shall be spent for keeping the area clean and for lifting the waste collected in that area. All Noticees will mark their presence before the Registrar's Court at 02:00 PM today and that list will be provided to the Railway Authority as well the Municipal Corporation within one week from today. These parties would deposit the amount within the said period failing which they would appear before the Tribunal on the next date of hearing.

The Learned Counsel appearing for the Railway submits that the area from New Delhi to Subzi Mandi is being kept absolutely clean. They have further earmarked the area between the Sabzi Mandi to Azadpur as the second phase. Let this project be completed with utmost expeditiousness. The Learned counsel appearing for the NCT of Delhi submits that in furtherance to our order dated 04th August, 2015, he will submit the report within one week from today.
