demolition drive is complete in Taluka – Salcete and Canacona. According to this table, only 28 shacks, out of this 27 structures are subject matter of the list pending before the Hon'ble High Court of Bombay at Goa are left untouched. Learned Advocate General Mr. Lotlikar on instructions make a statement that demolition drive as regards Taluka – Salcete was completed on 17th December, 2016 and as regards Canacona was completed on 15th December, 2016.

The Applicant refutes this contention. According to him, the shacks have not been demolished and the Member Secretary GCZMA is misleading the Tribunal by filing false affidavits. He refers to the photographs at page-106 to 118 annexed to the affidavit dated 29th October, 2016 as the proof of violations and the perjury committed by the Member Secretary, GCZMA. He submits that so far as violations are concerned, he invokes the provisions of Section 25, 26 and 28 of the National Green Tribunal Act, 2010.

We have already observed vide Order dated 7th December, 2016 that this Tribunal will not be justified in entertaining the present Application to punish the Respondents for offence under Section 26 of the National Green Tribunal Act, 2010. Mainly we are concerned with the execution of the Order as contemplated under Section 25 of the NGT Act, 2010 which obliges this Tribunal to execute its Order as a decree as per the provisions of CPC.

We, therefore, direct MoEF to give its compliance report in terms of the Order dated 17th December, 2014 passed in Application No.3/2014.

Learned Counsel Mrs. Supriya Dangare standing Counsel for MoEF submits that she would communicate this Order to the MoEF and appear on their behalf provided the Applicant and other authorities have no objection for her appearance as she had appeared in the main proceeding before passing of the Order in execution for Respondent No.4 – M/s.
