Respondent No. 1 : Mr. Pradeep Misra, Mr. Daleep Kr. Dhayani,
Adv.**

| | Date and Remarks | Orders of the Tribunal |
|--|--|--|
| | Item Nos. 4 & 5 May 11, 2015 Dharamvir | Heard. Perused. Uttar Pradesh Pollution Control Board in conjunction with Central Pollution Control Board shall carry out joint inspection of the applicant's industry, collect samples of the effluent discharged, analyze the same and submit its report on or before the next date. We direct the joint inspection team to ascertain the source of water for the industry and report to us the total consumption of water and the amount of the effluent released in corresponding period. It shall also report regarding the status of the industrial operation and primary effluent treatment plant and online monitoring system installed at the industry. The joint inspection team shall also disclose before us the facts regarding the recovery of the chromium from the effluent generated by the industry. It shall also inform the applicant of its visit to the industrial unit for the purposes of inspection and prescribe the period during |

which the industry requires to be run optimally for assessment of the effluent treatment. Permission is granted to run the industry for the said purpose during the period prescribed. After the inspection is over the industry shall close down its operation till further orders.

List this matter on 1st July, 2015.
